Dear Mr. Ihrig:

Re: Small Operators Notice of Intent, Sno-Ben Mine, S/047/046,  
Uintah County, Utah

Mr. Pete Sokolosky of the Bureau of Land Management has informed us that you are operating a placer operation in the area of T5S, R24E, Sec. 6, Uintah County. I have looked through our files here and have found no record of your firm having filed a Notice of Intent with us.

You will need to file the short form MR-SMO, which I have enclosed, as soon as possible. The BLM has already approved your operation, which is satisfactory to us; however, we need the form for our records and to meet our regulatory obligations.

Thank you for your time and attention.

Sincerely,

Holland Shepherd  
Reclamation Soils Specialist
